16. PACE OF PLAY (NOTE TO RULE 6-7)

a. Time Allowed

Each hole has been given a maximum completion time based upon the length and difficulty of the hole. The maximum time allotted for completion of 18 holes will be available prior to play.

b. Definition of Out of Position

The first group and any group after a starter's gap will be considered "out of position" if, at any time during the round, the group's cumulative time exceeds the time allowed for the number of holes completed. Any following group will be considered out of position if it is more than the starting interval time behind the group in front.

Note: In making a decision on whether to time a "following group" that is out of position, leniency may be shown to a group that has not exceeded the time allotted for the number of holes completed.

c. Procedure When Group is Out of Position

If a decision is taken to time the group, **each player** in the group will be subject to individual timing by a referee. Each player in the group will be advised that they are "out of position" and are being timed.

The maximum time allocated per shot is 40 seconds. 10 extra seconds are allowed for the first player to play:

- on a par 3 hole;
- an approach shot; and
- a chip or putt.

The timing will start when a player has had sufficient time to reach his ball, it is his turn to play and he is able to play without interference or distraction.

On the putting green, timing will start when the player has had a reasonable amount of time to lift, clean and replace his ball, repair ball marks and move loose impediments on his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

Timing ceases when a group is back in position and players will be advised accordingly.

NOTE: In some circumstances, an individual player or a few within a group may be timed instead of the entire group.

d. Penalty for Breach of Condition

| | | |
|------------|---|--|
| 1 bad time | - | Player will be warned by the referee and told that if he has a further bad time he will be penalised |
| 2 bad time | - | Penalty of One Stroke |
| 3 bad time | - | Further Penalty of Two Strokes |
| 4 bad time | - | Disqualification |

e. Procedure When Again Out of Position During Same Round

If a group is "out of position" more than once during a round, the above procedure will apply on each occasion. Bad times and the application of penalties in the same round will be carried forward until the round is completed. A player will not be penalized if he has a second bad time before being advised of his earlier bad time.

f. Random Timing Without Warning When Group Not Out of Position

In some circumstances, a group or an individual player may be timed without warning, including when a group is not out of position. In such cases of "random timing", the timing provisions and penalties set out in clause (c) above apply, except that a player will only be given a bad time if he exceeds 60 seconds to play a shot, with an extra 10 seconds given (i.e. 70 seconds in total) for the "first to play" shots referenced in (c) above.

17. SUSPENSION OF PLAY FOR DANGEROUS SITUATION (NOTE TO RULE 6-8B)

20. DECISION OF TIES

- a. Individual Event - In the event of a tie or ties for the first place, the Champion shall be decided by a hole by hole play-off over the 18th hole only until a winner emerges. The purpose of the play-off is to decide the winner for the Championship only. In the event inclement weather or other reasons make the play-off impractical, the Tournament Committee's decision to determine the Champion is final.
- b. All other ties will be decided by a count back in the following order:
 - Last 18 holes;
 - Last 9 holes (i.e. 10 to 18);
 - Last 6 holes (i.e. 13 to 18);
 - Last 3 holes (i.e. 16 to 18); and

- c. If a tie still arises, the scores for the 2nd round and, if necessary, the 1st round will be treated in the same way until a decision is reached.

21. INCLEMENT WEATHER

- a. If the Tournament Committee considers that for any reason the course is not in a playable condition or that there are circumstances that render the proper playing of the game impossible, it may order a temporary suspension of play or declare play null and void and cancel all scores for the round in question. When a round is cancelled, all penalties incurred in that round are cancelled.

22. DISPUTES OR DOUBTS AS TO CORRECT PROCEDURE
